Sir,

Re the grant of Rs.462/- towards the cost of establishment employed in Municipal Co-operative Stores for the current year.

I have the honour to state that the Municipal Co-operative Stores which was started on 19-10-42 for the benefit of the Municipal employees and especially the sweepers and scavengers, to obtain their requirements of essential articles at reasonable prices without much difficulty is being run since then In the beginning all articles required for the human consumption were being stocked and sold to the employees In view of the mismanagement and the want of proper supervision the stores suffered financially to a considerable extent The loss sustained in this way has now been investigated and further action is being taken regarding reimbursing the loss At present only the rationed articles are stocked and issued The financial position of the stores has become impoverished so much so that it is not in a position to meet its own establishment charges The request of the stores for sanction of grant towards the maintenance of the stores was refused by the Council, on two occasions In the General Body meeting of the Society convened on 6-10-45, it has been resolved that the Municipal Council be requested kindly to sanction a grant at least to meet the establishment charges for running the stores as it is intended mostly for the benefit of the sweepers and scavengers who are in large numbers The Municipal Council before whom the subject was placed for consideration have resolved in their Ordinary Meeting held on 27-10-45 that a sum of Rs.462/- as noted below may be sanctioned for one year from 1-7-1945 to meet the cost of establishment

I request that in the circumstances explained, the resolution of the Municipal Council may kindly be sanctioned as it is very nec

to run the stores, mainly for the benefit of the sweepers and scavengers and other employees inspite of its financial unstability
